## CAMPUS SECURITY

A team of professionally trained and armed Police and Civil Defence personnel are stationed 24 hours a day at the entrances and strategic points of the campus, as well as within each of the residence buildings. ACAN constantly revisits its security arrangements to adapt to challenging circumstances.

## ANTI-CORRUPTION ACADEMY OF NIGERIA (ACAN)

The Anti-Corruption Academy of Nigeria, the ICPC Academy, was established to facilitate the effective implementation of the Commission's functions as encapsulated in Section 6 (a – f) of the Corrupt Practices and Other Related Offences Act 2000. The Academy is intended to primarily equip ICPC Staff with necessary skills and Knowledge that would enable them to perform at required levels. The Academy is also designed to provide training for public officers, public servants and the general public on good governance, accountability, transparency, integrity, ethics and all issues relating to corruption and corrupt practices, as well as build up a body of knowledge that will facilitate the development of knowledge-based anti-corruption policies in the country.

### OBJECTIVES

The objectives of the Academy are:

- To provide world-class law enforcement and anti-corruption education, for top professionals and administrators in the public and private sectors.
- To transform into an elite institution for law enforcement studies.
- To become a think-tank for policy formulation and implementation

in the law enforcement and anti-corruption sector.

- To certify competencies of law enforcement professionals through short-duration courses, in-service training, certificate programmes, diploma courses and post-graduate degree programmes.
- To bridge the gap between knowledge and practice through academic research and professional policy analysis.
- To serve as a platform for dialogue, networking, cooperation and collaboration in crime management and control.
- To promote best practices, document and publish research findings, and provide efficient library services.

### PROGRAMMES OF THE ACADEMY

The anti-corruption programmes of the academy include:

- In-House Staff Training Programmes
- Post-Graduate, Certificate and Diploma Courses
- Thematic Conferences, Seminars and Workshops
- Bespoke Training Courses for outside Institutions
- Mandatory Induction and Refresher Courses for ACTU members, etc.

## ANTI-CORRUPTION ACADEMY OF NIGERIA (ACAN)

*The Research and Training Arm of the ICPC*

## ANTI-CORRUPTION ACADEMY OF NIGERIA (ACAN)

### OUR VISION

To become a model manpower development institution, sustainably providing the necessary connection between theory and practice, to drive the fight against corruption and related crimes in Africa and beyond.

### OUR MISSION

To be a centre of excellence; enhancing multi-disciplinary approach to the fight against corruption through Training, Research, Documentation and Advisory Services

### OUR PHILOSOPHY

Corruption and related crimes can be controlled through robust training and retraining that are grounded in sound policy formulation, operational efficiency, good management culture, behaviour and communication skills that are required to drive a corruption-free society

### OUR VALUES

**Excellence** in service delivery  
**Innovation** in research, teaching and learning  
**Professionalism** in knowledge dissemination  
**Partnership** with national and international stakeholders  
**Integrity** in conduct and practice

## OUR SERVICES

ACAN is being developed as a last-stop institution for training of high-calibre anti-corruption professionals such as compliance officers, investigators, administrators and integrity practitioners by offering programmes at post graduate levels. The programmes of ACAN therefore include:

### TRAINING CATEGORIES

- In-house staff training programmes
- Mandatory Induction and Refresher courses for ACTU members.
- Post-graduate Certificate and Diploma Courses
- Master's degree in Anti-Corruption Studies (in collaboration with partner institutions)
- Thematic conferences, seminars and workshops.

### BESPOKE PROGRAMMES

ACAN is prepared to conduct on request, specially designed, on-site client-centered trainings for MDAs, Institutions, private and public organisations, on any of the themes on anti-corruption and integrity issues, and other issues of interest to such organisations.

### ANTI-CORRUPTION RESEARCH

The Research Division is engaged in the conduct of cutting-edge research in the general area of anti-corruption and disseminating the outcome of same for the purpose of building the body of knowledge in the area that will aid the development of appropriate policy responses and acquisition of skills necessary for tackling corruption nationally and internationally. The Academy, which also serves as a platform for regular scholarly exchange in the field of anti-corruption studies and leading public opinion, engages in efficient and widespread dissemination of anti-corruption resources and literature nationally and internationally. As a mark of our commitment to this cause, free internet service is available for our participants while in the premises of the Academy to encourage research and information dissemination.

### CONSULTANCY SERVICES

The Anti-Corruption Academy of Nigeria, through its consultancy programme is helping various organisations (Public & Private) including State Governments to design and implement anti-corruption strategies. The purpose is to achieve a corruption-free society so that Anti-corruption agencies would have less work arresting corrupt people.

Corruption Risk Assessment (CRA):- ACAN also conducts Corruption Risk Assessment (CRA) for various agencies including state government agencies and private organisations. C.R.A is a (diagnostic) tool which seeks to identify weaknesses within a system which may present opportunities for corruption to occur. The purpose of a CRA is usually to supplement evidence of actual or perceived corruption in a given context in order to inform anti-corruption strategies and policies or for action such as advocacy. It can also serve as a baseline for anti-corruption work to track risk trends over time. Corruption risk assessment can be applied at all levels from government institutions, to donor support programmes, down to sectoral programmes, as well as in individual organizations or units.

### COLLABORATION WITH EXTERNAL AGENCIES

The Anti-Corruption Academy of Nigeria collaborates with relevant agencies and professional bodies to organise workshops, seminars and training programmes for various groups whose activities relate to the war against corruption and corrupt practices in Nigeria.

### RESOURCE FACULTY

Highly qualified and skilful resource persons are drawn from the Academy, the ICPC Headquarters, members of the academia, and from among other professionals as may be required.

## OUR FACILITIES

Academy's facilities are open to hire by any government organisation, private establishment or professional body, for purposes of mini-conferences, seminars, workshops, business meetings, professional exams, promotion tests and aptitude tests.

The 48-seater Mini Auditorium

The 200-seater Main Auditorium at the Academy

### WEB-BASED LEARNING PLATFORM

The Information and technology age has brought exciting new learning possibilities. The Academy has developed an online platform for e-delivery of the contents of courses to participants. It provides students and teachers with an effective means of interaction and for teaching and learning purposes. All the learning centres of the Academy are equipped with e-learning facilities including full multimedia learning systems.

25-Seater Executive Classroom for Top Management Targeted Courses. There are three of such classrooms at the Academy. They are open for use by any organisation intending to host top management officials either in a seminar, workshop or business interaction

Facility for Teleconferencing
